FIRST NATIONS DATA GOVERNANCE:

**TOOLS for
EMPOWERMENT**

March 28 - 30, 2017

Hilton Lac-Leamy, Gatineau QC

By First Nations, for First Nations!

Join the First Nations Information Governance Centre (FNIGC), for three days of keynote speakers, data sovereignty experts, and hands-on workshops aimed at exploring issues surrounding the use of data to empower change in First Nations communities. This conference will challenge your assumptions and provoke discussion and debate aimed at producing real change. **Let's roll-up our sleeves and talk about data!**

REGISTRATION IS LIMITED!

**For more information please contact Angela at
